VII. Read the following passage and answer the questions.

One of the things I like best about school is my art class. We have a great teacher named Mrs. Hilbert. She is a wonderful artist. I love to watch her draw and paint. She taught us how to mix paint to make just the right colors for our paintings. She plays good music while we draw and paint. We draw and paint almost everyday in class. Some days we look at pictures of other artists. It is interesting to do this. It helps me to think of things that I want to paint or draw. We have an art exhibit in May this year. Our work will be in one of the banks in our town. We are inviting people from

the community to our exhibit. Our parents are invited to go with us. I have three paintings I am working on now. I hope one of them will be chosen to be in the exhibit. I like having a goal to work toward.

THE PET SHOP

My name is Ben and I am an 8 year old boy. One day my Mum told me some very exciting news.

“We are getting a new dog Ben!” she said.

I was so happy, I have always wanted a dog. On the way to the pet shop we passed a place that had lots of animals. They were all in cages and they looked very sad. I asked Mum what the strange place was.

She said, “That is called an animal shelter. It’s where they take animals that people don’t want anymore.”

This made me very sad. Why didn’t people want their pets anymore? We got to the pet shop and went inside. There were lots of cute little puppies and kittens and bunnies. But I couldn’t stop feeling sad for the unwanted animals. I asked mum if we could go back to the animal shelter. When we got there I saw a sad, lonely dog looking at me from the cage.

“I want him,” I said. So we took him home. We fed him. We gave him a bath. We gave him a new home and we loved him forever.
