Principal's Message

Shri. G. Ramachander Goud

“We want the education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.”

-Swami Vivekananda

Education system today stresses on imparting the right knowledge and the apt experience in order to create successful students. We provide every child a platform to develop a positive mind and self-confidence so that he grows up exhibiting a full-fledged personality with ethical values and lead India towards prosperity.

We are proud of our Class X and Class XII results of 2022. All the students who appeared for the AISSE and AISSCE 2021-2022, have passed with high Quality Index and Excellence Index and the school topper of Class XII has secured an overall aggregate of 97.2%. Since success is not a destination, we will strive to continue in the progressive path.

We believe in empowering our children as ideal representatives of the nation! We have a dedicated team of faculty members who display boundless energy and commitment to bring about their academic success and overall development which keeps the flag of our school fluttering high. We impart education to match the advancement in technology and globalization and also we train our children to march ahead with moral values and principles. We educate them about the importance of clean and green surroundings. A sound body exhibits sound mind, hence participation in sports is encouraged and to brush their creativity, arts and cultural activities are scheduled every week. Students are empowered to face any competitive exam by training them to face various competitive exams.

We train our teachers continuously with innovative learning strategies that help them to teach more effectively in turn making the students academically competent, scientifically inquisitive and turn them to be global citizens. It gives us immense pleasure as we have seen our students reach the great height in life.

I welcome the parents to participate with us in moulding our children in such a way that they become the true global citizens of India in this competitive world.
