AECS, Mysuru

Dear Students, Parents and Members of the AECS Mysore Family,

It is a matter of great pride and satisfaction to witness the consistent progress and achievements of the Atomic Energy Central School, Mysuru. The collective efforts of students, teachers, parents, and the school leadership have contributed significantly to academic excellence and holistic development.

The Annual Newsletter of AECS, Mysuru, "ANU DHWANI -2025-26", reflects the vibrant academic, cultural, and co-curricular activities of the school. It showcases the talents and accomplishments of our students and acknowledges the dedication of teachers who continue to guide and inspire them.

In line with the vision of the National Education Policy 2020, the school strives to provide an education that goes beyond academics by fostering critical thinking, creativity, and essential life skills. Equal emphasis is placed on value based education, which helps students develop integrity, discipline, empathy, and respect for others.

I congratulate the AECS Mysuru team on the successful publication of this newsletter and extend my best wishes to all for continued growth and excellence.

ॐ सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः । सर्वे भद्राणि पश्यन्तु मा कश्चिद्दुःखभाग्भवेत् ।

With gratitude and warm regards,

Chairman AEES

It gives me immense pleasure to note the publication of the Annual Newsletter of Atomic Energy Central School, Mysuru "ANU DHWANI -2025-26". This compilation serves as a reflection of the vibrant academic environment and the wide range of curricular and co-curricular activities conducted throughout the year.

Education today demands a holistic approach that nurtures intellectual ability along with character, discipline, empathy, and respect for others. AECS, Mysuru continues to uphold these ideals by creating opportunities that help students discover their strengths and grow with confidence.

The dedication of teachers, the enthusiasm of students, and the support of parents have collectively contributed to the school's achievements. Such collaboration is essential in shaping young minds who are capable, responsible, and socially aware.

I am confident that this newsletter will inspire students to aim higher and motivate the school community to continue striving for excellence in the coming years. I extend my heartfelt appreciation to the entire AECS, Mysuru team for their sincere efforts.

Wishing the school's glory to be at its zenith !

Regards,

AD

Dr. A K Dureja
Secretary AEES

As we unveil this edition of "Anu Dwani" Atomic Energy Central School, Mysuru, newsletter, I am filled with immense pride and optimism for the journey ahead. This issue is not merely a compilation of events and achievements; it is a meaningful chronicle of the school's journey, capturing its vision, values, and vibrant culture. Through these pages, we witness the accomplishments of our students, teachers, and the entire school community.

In an academic atmosphere rapidly evolving around "STEM", we remain committed to nurturing tomorrow's leaders equipped with knowledge, ethical fortitude, and a commitment to national progress, who will power India's progress with intellect, integrity, and unwavering determination.

The activities and achievements highlighted here reflect the dedication and hard work of our students, guided by the unwavering support of our teachers. Our students have achieved commendable success in inter school cultural meets, national Olympiads, academic quizzes, and inter-school sports competitions, demonstrating the profound impact of disciplined scholarship and intellectual inquiry. Our budding scientists brought accolades to school with projects in the new age technology like AI, echoing the pioneering spirit of our atomic legacy.

I take this opportunity to appreciate the sincere efforts of the principal, teachers, and staff who work tirelessly to create a nurturing and stimulating learning environment. I also commend the editorial team for thoughtfully compiling this newsletter. I acknowledge parents and guardians who play a vital role in a child's educational journey, and their continued trust and cooperation.

I hope this newsletter inspires all readers and strengthens the sense of pride and belongingness within our school community. I extend my best wishes to the students and staff for continued success in all their future endeavours.

The joyful world of wonder and discovery - Balvatika

Our little ones welcomed the festive season with joy. To celebrate Onam, they worked in groups to create a vibrant pookalam with fresh flowers, enjoying teamwork, creativity, and cultural tradition.

The festive spirit continued with Dasara, as our tiny tots joined a lively procession. Dressed in colourful attire and carrying cheerful props, they filled the school with joy and excitement, celebrating tradition with fun and togetherness.

The Balvatika programme at AECS Mysuru provides a joyful, safe, and play-based learning environment for children aged 3–5. Through engaging activities, celebrations, and sports, it nurtures holistic development, confidence, creativity, and a love for learning.

Peer Learning: Growing Together, Learning Together - Through guided interaction and shared tasks, children discover together.

Our kids in their finest attire during the **Children's day** celebrations!

From imagination to inspiration—Balvatika children shone in an incredible array of costumes for the **fancy dress competition**

Our Mentors

Education is not only an act of acquiring knowledge but learning a skill to lead life and forming one's personality.

Dear Students /Parents

2025-26 has been year of achievements and victories, of facing new challenges and reaching greater heights. As we attain new milestones and undergo beautiful beginnings, we feel proud to state that AECS MYSURU has expanded its digital infrastructure to provide a conducive and vibrant environment for holistic development and progress.

We believe that a Childs confidence is built on Foundation of Competence. To that end,our focus is sharpened on two critical pillars : Arithmetic ability and Language proficiency.

I compliment and appreciate the "Editorial Team" for a wonderful portrayal of their creative acuity in providing us a sneak peek into the multi-faceted activities of the year gone by in the form of Newsletter " Anudwani".

Work hard until the lamp light of your study table becomes the spotlight of the stage.

With Warm regards ,
