Dear Diary,

Today, I stood shoulder to shoulder with our brave queen, Rani Abbakka. The sky roared with the sounds of battle but our hearts roared louder with courage. I saw her at the front, fearless and proud, leading us with her sword raised high. Though the enemy was powerful, her presence gave us strength. We fought not just for Ullal, but for our pride and freedom. Tonight, I feel honoured to have fought under a queen who refused to bow to any ruler but her own heart.
