- 1) False (*The Khetala people are specialists in agriculture.*)
- 2) True (*Uruka is celebrated on the 14th of January every year.*)
- 3) True (*The overflowing Chinar River makes it difficult for students to reach schools in Kanker.*)

**Q. 4) Arrange the following Van Mahotsav activities in the order they likely occurred based on the text.** (½ × 4 = 2)

**Correct order: 2, 4, 3, 1**

- |                                   |  |
|-----------------------------------|--|
| 2) Planning under the banyan tree | 4) Repairing benches and streetlights. |
| 3) Cleaning and planting saplings | 1) Community feast                     |

**SECTION - B**

**[IDENTIFYING GROUP AND CLASSIFICATION] - (13 Marks)**

**Q.5) Answer the following questions.** (1 × 5 = 5)

- 1) Van Mahotsav is a tree-planting festival celebrated every year in the first week of July in India to encourage people to plant more trees and protect the environment.
- 2) During the community feast, the villagers often used banana leaves as plates. Banana leaves are eco-friendly, easily available in villages, and commonly used in traditional feasts, especially in South India.
- 3) The villagers gathered under the big banyan tree near the playground to plan the Van Mahotsav celebration.
- 4) Write any four appropriate answers.

- Throw garbage in dustbins and keep the area clean.
- Save water by not wasting it.
- Do not burn plastic or waste because it pollutes the air.
- Take care of animals and birds by giving them food and water.
- Use less plastic and carry cloth bags for shopping.
- Recycle and reuse things as much as possible.
- Join clean-up drives in parks and beaches.
- Plant more trees to make the air clean and fresh.

5) Mallika used a microphone to make announcements.

**Q.6) Give two examples of each.**

**(1 × 5 = 5)**

1) Doctor, Nurse, Ward boy, Pharmacist, Receptionist, Ambulance Driver etc. (Any 2)

2) Bamboo, Stone

3) Park, Library, Hospital, School, Library, Post Office, Bus Stop etc. (Any 2)

4) Sweeper, Gardener, Plumber, Electrician, Watchman etc. (Any 2)

5) Pliers, Screwdriver, Wire Cutter, Tester, Insulation Tape, Multimeter etc. (Any 2)

**Q. 7) Circle the odd one out.**

**(1 × 3 = 3)**

1) Magh Bihu (Reason: *It is a traditional festival; others are special observance days.*)

2) Watering can (Reason: *It is used by a gardener; others are carpenter tools.*)

3) Butterfly (Reason: *Butterfly does not live in a colony; others live and work in communities.*)
