DR. Dolittle

विद्यार्थी का नाम/Name of the student:

अनुक्रमांक /Roll No._____ कक्षा/अनुभाग Class /Sec.:_____ दिनांक /Date: _____

1. i) Different people deal with competition differently. Some people healthily accept competition. However, others collapse under the pressure of competition.

ii) A change in the external environment such as temperature, pollutants, humidity, and working conditions leads to stress.

iii) An individual experiences stress for different reasons according to his age. The loss of a toy or a reprimand from parents might create a stress shock in a child. An adolescent who fails an examination may feel as if everything has been lost and life has no further meaning. In an adult, the loss of a companion, job, or professional failure may appear as if there is nothing more to be achieved.

iv) a) pollutant b) tranquillizers

v)Accept any correct and meaningful sentence

2. Notice (5 marks) Format-1, Content-2, Fluency and Accuracy-1

3. Story (6 marks) Title-1, Content-2, Fluency & Accuracy-2, Moral-1

5. i) noon ii) any correct word

6. a) The brave are admired everywhere.

b) By whom was the door opened?

7. a) nose b) False c) what is d) The dog is twitching up one side of his nose to ask the doctor why he couldn't see the rain had stopped.

e) Hugh Lofting

8. a) Dr. Dolittle came to know from Polynesia that animals have their own language. She trained the doctor how to speak and understand the language of birds and animals with pace.

b) The plough horse had eyesight problems but the vet gave him different medicine which did not cure him. The horse found a doctor who could understand his language. He told the doctor that one of his eyes had a problem and he wanted green glasses to protect him from sun's glare. The doctor gave him glasses within one week and he could see clearly.

c) Birds who were cured by the doctor flew to other countries in the winter and told the animals in foreign lands about Dolittle, who could understand their language and help them with their troubles. In this way, he became famous among animals all over the world.

9. Accept any suitable answer
